- Started 16 FIRST Lego League Teams in Flagstaff, AZ in 2008

### If I choose to donate, where will my tax dollars go?

After participating in the 2009 FIRST Arizona Regional Competition, Team 2486, The "CocoNuts", were recipients of the Chairman's Award. This is the most prestigious award that the robotics program offers.

All teams that are awarded the Chairman's Award are invited to the World Championship FIRST Robotics Competition in Atlanta, Georgia. Registration for the event is \$5,000, and that does not include travel, or hotel fees!

Any donations made to the Coconino High School Robotics team will go straight into our account to pay to get the students to Atlanta for the event.

Thank you for your consideration of our cause, the CocoNuts are proud to represent Coconino HS and our region as one of the 41 worldwide Chairman's Award winning teams that will attend the event!

## **Donation Form**

\*\*\*Note: All individual Arizona State income tax payers may donate up to \$200 annually to the extra-curricular activity of their choice, while married couples may file jointly to donate up to \$400.
