If I choose to donate, where will my tax dollars go?

During the 2009 FIRST Arizona Regional Competition, the CocoNuts were recipients of the Chairman's Award. This is the most prestigious award that the FIRST Robotics Competition (FRC) offers. In 2010, the CocoNuts were proud to receive the 2010 Arizona FRC Engineering Inspiration Award. Both these awards qualified the CocoNuts for the FIRST World Championships held at the Georgia Dome in Atlanta, Georgia.

The CocoNuts earned these awards due to their continuing commitment to positive community outreach efforts throughout Northern Arizona. From starting and mentoring 26 FIRST Lego League teams at local elementary and middle schools to hosting the "High Altitude Robotics Extravaganza", the CocoNuts spend their considerable energy on inspiring their younger peers.

Your donation not only aids the CocoNuts with team registration and travel costs, but also directly supports outreach initiatives like the Flagstaff FIRST Lego League Program. A tax-credit donation is one of the easiest ways to contribute: under the Arizona Public School Tax Credit, you're simply specifying where you want your state tax dollars to go. By filling out this form and donating now via cash, check, or credit/debit card, in April you will receive a deduction/refund of the full donation amount on your state income taxes,

SO YOU CAN SUPPORT A GREAT CAUSE AT NO COST TO YOU, **SO DONATE TODAY!**

Thank you for your consideration of our cause. The CocoNuts are proud to represent Coconino High School and the Northern Arizona region at the international level! **GO NUTS!**
